Dear Mr. Miljkovic,

On behalf of the IFC, I am pleased to confirm my attendance at the Nis Investment Forum 2008. As part of the World Bank group, IFC is interested in providing its support to the growth of the private sector and increasing its business in Serbia and the Balkan region. We endorse your initiative to hold the Nis Investment Forum '08 and look forward to a fruitful cooperation. In my view, this will be a great opportunity to meet and discuss development of the Nis, Pirot and Toplica districts.

We look forward to hearing and remain at your disposal for further information.

Sincerely,
